COMCAST TRASMITIU AS OLIMPIÁDAS DE INVERNO DE 2018 EM DOLBY ATMOS

27.5 million viewers domestically

Comcast, in partnership with Xfinity TV, the 2018 Winter Olympics was broadcast in Dolby Atmos.

“ Our goal is to raise the bar for the modern-day Olympics viewing experience across platforms, and experiment with new features and functionality that will surprise and **delight** our customers in exciting new ways.
